

MyNavy Portal Release 11

HIGHLIGHTS

- **Customer Relationship Management (CRM)** – Interfaces were delivered in this release that will provide the foundation for CRM integration with MyNavy Career Center (MNCC) Contact Center when the CRM goes live.
- **Retirement Application Form/Data for Payment of Retired Personnel (DD2656)** – Phase 1 allows Sailors the ability to generate an electronic package and provide supporting documents.
- **MyRecord** – Additional data is now available for enlisted evaluations and officer fitness reports.
- **Other Enhancements** – Search indexer for resources and links.

FEATURES AND FUNCTIONS IN DEVELOPMENT

Subject to change based on any realignment of priorities and resources.

Common Access Card (CAC)-less access is being evaluated by N1 and PMW 240 leadership, with discussions focused on the path forward.

Public portal is also being assessed, with a proposal in early development phase.

Personal Identity Verification (PIV) – CAC changes will be made to support PIV changeover. This effort is on track to be completed by FEB 2020.

Release 12 – Scheduled for DEC 2019. The release includes a broad range of new and enhanced capabilities to support Sailors:

- **Officer Promotion Dashboard** – Guides officers through promotion steps by providing important dates, pre-promotion and post-promotion checklists, pre-promotion progress, required information to support a potential promotion, and links to Official Military Personnel File and BUPERS Online.
- **ZipServe** – Allows Reserves to view, search, and apply for mobilization volunteer opportunities and potentially orders for annual training, active duty training, and active duty special work. Phase 1 features provide capabilities to view and search opportunities uploaded to MNP, along with the ability to apply for opportunities via a link to the forthcoming ZipServe system (OCT 2019).
- Ongoing enhancements to **eLeave** and **ePAR**, with additional data available for **DD2656** and **MyRecord** (lineal and precedence numbers).
- **Other Capabilities** – In response to Sailor feedback, the MNP team is working to resolve issues with access to Personnel Qualification Standards/Learning and Development Roadmaps documents, along with addressing change requests to Voluntary Education and Naval Education and Training Command content. Also, enhancements to Announcement & Results are in development.
